Dear Friends & Neighbors,

As usual, there is a lot of activity in our community. This month we will have a chance to interview Doug Teeter, our Supervisor who replaced Tami Ritter. Please come to the meeting and have your voice heard.

In the past we were able to provide a membership form to all residents of Forest Ranch by inserting a form in the Post which was mailed out. Due to the increased costs, we are no longer able to do this, so we are relying on 'word of mouth' and a form in the paper edition of the Post. Please sign up and urge your neighbors to do so, so we can keep providing services and events to our community.

Two of the proposed upcoming events are another Cornhole Tournament and a Thanksgiving Dinner. Stay tuned, stay cool and get involved.

YESTERYEAR...**Early Years in Forest Ranch***By Andy Mark*

Soon after the Humboldt Wagon Road was constructed, in the early 1860s, settlements began to pop up along the road from Chico to Big Meadows (today's Lake Almanor). One place was sometimes referred to early on as the Sixteen-Mile House because of its distance from the beginning of the road in Chico.

The first notable settler at this stop along the road was a man named Elias Findley. In 1867, the news reported that Findley's place had a garden and one could pick cold watermelon from it. In 1873, Findley purchased the nearby Dashaway Mill from Aldersley and McCormick. The plant, located about 17 miles from Chico, supplied general lumber, shakes and posts.

Around the mid seventies, Horace Weld and his wife took over Findley's residence and started to develop the place, catering to road travelers and sportsmen. It was under their watch that a post office was established here, in 1878, and Horace Weld was its first postmaster. From then on, the town was officially called Forest Ranch. It was about this time that the first public school in Forest Ranch was established. By the beginning of the next decade, the Welds had made Forest Ranch a thriving little community, with cottages occupied by families, a hotel for boarders and travelers, a horse changing station for the Prattville stage and a highly productive garden and orchard.

In late 1881, the Welds left Forest Ranch and the property was purchased by Captain John Morrison and his wife, Margaret. It appears the hotel was managed by others for the next few years, but sometime around the middle of the decade Mrs. Morrison took over management. The Morrisons were a popular couple and instrumental in developing Forest Ranch for years to come.

Captain Morrison, who previously spent some years in the lumber business at Chico Meadows, also took over the Dashaway Mill, which had been moved about three miles above Forest Ranch after Wm. Bonham purchased the lumber plant from Elias Findley back in the seventies. In 1891, Captain Morrison completed the construction of a new sawmill in Forest Ranch, called the Forest Mill.

The Morrisons left Forest Ranch in 1903 and moved to Stirling City. The Forest Mill shut down at that point, but was reopened by the couple's son, Ira, in 1907. In 1908, after the local timber supply became exhausted, it shut down once more.

The hotel burned down in 1919. At the time, the property was owned by Ira Morrison.

Forest Ranch Cemetery Association

Are you aware that Forest Ranch has a historical cemetery right here in Forest Ranch? The first burials took place about 1883 and were for two small girls who had sucked on deadly phosphorus tipped matches. Since there was no burial site at that time, the Halley family donated this 1/2 acre site as a cemetery. The cemetery has been run and maintained since 1952 as Forest Ranch Cemetery Association. The Association is titled as "a non-profit, mutual benefit corporation" with the State of California since 2018.

Due to unforeseen circumstances, the Association is a committee of one currently. I am asking for a few Forest Ranch residents who would be interested in helping me keep the Association running. The requirements are few. Most years the biggest concern is keeping up the appearance of the cemetery, which we hire out for the work to be done. I also work with funeral homes on the rare occasion when they have a burial in the cemetery, to locate and mark the burial site using the map and old records. The Forest Ranch Cemetery Association has none of its own equipment, therefore the funeral homes make all the arrangements with the families.

If you have any questions, would like more information or would like to volunteer, please call me, Sandy Santos, at 530-891-0939. Thank you for your consideration.

FOREST RANCH FIRE SAFE COUNCIL

With the hot and dry weather we are experiencing, it's important to remember that any yard work using power tools should be done before 10 am and in calm wind conditions. Your Forest Ranch Fire Safe group is meeting on the third Tuesday of each month at 6:30 pm, discussing current and upcoming work to be done on our land to harden our community against wildfire. In July, **Jim Houtman** from the Butte County Fire Safe Council gave a presentation about all the projects happening in Forest Ranch now or coming online soon. These include:

- **Defensible Space Crew** - For folks that have signed up, the BCFSC crew is already coming out to trim up, weed-eat, and move flammable debris away from homes to improve defensible space and bring homes into Cal Fire regulation compliance. This is especially timely because Cal Fire has been issuing warnings and citations for homes that violate defensible space specifications in Forest Ranch.
- **Roadside Evacuation Thinning** - Property owners on Headwaters Road, and those that connect to Headwaters, are encouraged to get signed up with BCFSC ASAP to allow this project to get started by late fall.
- **Chipper Program** - Has the funding to continue for the next few years, so as you trim up limbs and bushes on your own property be sure to sign up to have the chipper come to clear them out. They come up only once or twice a month, but they are great about contacting property owners who are interested in utilizing this service.
- Many more updates and resources were shared, such as being ready for wildfire with evacuation plans and a go bag, goat grazing, broom pulling, and more can be found on BCFSC website at www.buttefiresafe.net

The Forest Ranch Fire Safe Council encourages ALL Forest Ranch folks to fill out the BCFSC intake form at buttefiresafe.net/contact so that projects coming online in your neighborhood in the near future will be shovel-ready as soon as possible. Stay tuned for updates about how to get your property ready to do the real good work during the winter: burn piles and prescribed broadcast burning. We will be updating our neighborhood safety leader contact list in the next 1-2 months, which will allow us to start organizing neighborhood workdays to help each other out in managing some of our unruly fire hazard vegetation as well as review and update our community's emergency plan. If you are interested in being a safety team leader in your neighborhood or want any additional information on how to get involved in neighbor-to-neighbor work projects or need to use a weed wrench or pole saw, email us at frfiresafecouncil@gmail.com and we'll get you connected to the resources you're looking for. Stay safe and cool out there Forest Ranch friends, and do what you can to be ready for wildfire at any time as we reach peak fire season.

VOLUNTEER CO. 24 BBQ

On Sat. Sept 10th, 2022 from 11:00am to 3:00pm, the annual Firefighters BBQ fundraiser will be held. The Forest Ranch Lions Club is sponsoring this event. The BBQ will be held in the parking lot directly across from the Real Estate office on Nopel Ave.

We are also looking forward to welcoming all our new neighbors.

The money raised from the BBQ will keep or volunteer firefighter's equipment and training up to date. Living in this mountain community is our choice, but our volunteer firefighters are here for each and every one of us whether it is a medical or a fire call. As fire season is upon us let's all be fire safe and show our support to our Co. 24 firefighters. The menu will be, from chef Henry Johnson, hamburgers, bacon burgers, hot dogs, veggie burgers, Polish sausages, with lots of fixings. Also, chili beans and potato salad. The Lions Club will be in charge of the serving line.

Meal tickets are \$10.00 for adults, \$5.00 for children ages 5-10, children under age 5 are free. Your name on your meal ticket stub is good for a door prize. Also, raffle ticket prices are \$1.00 each or 6 for \$5.00.

The Forest Ranch Women's club will have homemade baked goods for sale, as well as a donation of a \$100.00 bill as a door prize.

The Community Association will have soft drinks. Co. 24 t-shirts will be for sale. The Charter School will keep our kids entertained.

We are asking people who purchase raffle or meal tickets to please be present if their name is called. If you cannot be present, please have someone, a representative/neighbor, etc. who may pick up your prize for you. We are relying on community residents once again for donations for the raffle or auction item(s), as well as items for the kid's raffle, as this will make the fundraiser a complete success. All artisans and crafting people are welcome to donate to this event.

You may drop off your donated item(s), with permission from our Post Office, with your name on the item at the Post Office Monday – Friday from 9:00am to 3:30pm ASAP. Please do not leave items in front of the Post office. Dead line for donated items is Sept. 8th at the Post Office.

We will not be accepting any used or garage sale items and no white elephants. Items in boxes never used will be accepted. Please no items the day of the BBQ. Also, no alcohol or glass containers at the event.

Any questions you may call Dona at 895-8847. Board member and raffle chairperson of Volunteer Fire Co. 24.

Be sure and save this date!!!
