Dear Friends & Neighbors,

The Annual Ice Cream Social was a big hit as usual. Lots of kids and adults gobbling up ice cream. Several new families attended as well as teachers, staff at the Charter School and community members.

The next event is our Annual Co. 24 BBQ. Covid put a crimp in this fundraiser, but it should be well-attended as most of us are ready to socialize again. Dona LaFranchi is working hard to ensure that it will be successful. While you are enjoying the food, the Live Auction, Raffle and socialization you can thank all the firefighters for their time and energy that help keep us safe.

All of our organizations seem vibrant at this time, but we still need people to join FRCA, so if you have not already joined, please pick up a form at the Post Office (in the plastic folder for the Post) and send it in.

Watch for updates on the Farmer's Market at PO bulletin board.

Stay healthy and cool,

Beth

YESTERYEAR... Early History of Fourteen-Mile House

By Andy Mark

In 1863, John Bidwell, Chico's founder, and four others received a twenty-year franchise to build and operate a toll road from Chico to Susanville. The first toll-gate along this route, the Chico and Humboldt Wagon Road, was located about fourteen miles out of Chico, at a place called Cement Springs. Today, the area is known as the Humboldt Highlands.

Although it is unknown who occupied this site during the 1860s, a man named David Craig and his family moved in sometime in the early 1870s. At that time, the stop along the road was referred in the news as the Toll-House (or Toll-Gate). Sometime later in the decade, however, people started calling it the Fourteen-Mile House. Although it's unclear whether or not Craig ever accommodated overnight travelers, his place was well-known for being a place to wash up and get served a good meal. In 1879, the actual toll-gate was moved one mile up the road from the Fourteen-Mile House, so Craig's place no longer served as a toll station.

The Craig family left the Fourteen-Mile House very early in the next decade, and an 1885 news report indicated that Mr. Spires and his three sons owned the popular stopping place at the time. The report added that there was an orchard, vineyard and a garden there. It's been said that the Spires family built a one-story hotel on the site. In 1885, Fred Dorrett was leasing the hotel and a few acres of land, and was growing fine potatoes.

In 1891, the news advertised that the Fourteen-Mile House was for rent. It was suggested that the eight-room hotel, barn, corral, small house and acreage, which included a vineyard and orchard, would easily bring in more than the rent.

Sometime around the middle of the decade, John Lucas, who had previously resided on land just down the road, took over the Fourteen-Mile House and soon built a two-story hotel. The hotel burned down in 1943.

### **Greetings Forest Ranch,**

The Forest Ranch Community Association held a successful general meeting on August 17<sup>th</sup>, 2022. We had a turnout of 29 members and visitors who signed in. I would like to remind everyone that we love to see as much of the community come out for the general meetings as possible so that we can support all of you. The general meetings take place on even months, ie. August, October, December, etc... We hope to see even more of you during the October 19<sup>th</sup> meeting! We do post meeting agendas and minutes at the post office for both the board of director and general meetings so feel free to review them at your leisure.

During the preliminary business meeting, Heather Childs-Alexis was voted in as Secretary for the remainder of the 2022-2023 fiscal year. I personally want to say a huge thank you to Heather for volunteering to step into this role. During her time as Secretary, she will also be training under our Treasurer Nancy Bacon to fill the role of Treasurer in upcoming years pending future elections.

We held a membership drive in June and July to promote membership of the Forest Ranch Community Association with a \$100.00 opportunity drawing and drew a winner during the Ice Cream Social and would like to congratulate Catherine Nunes as the winner!

Following our business meeting, we were joined by County Supervisor Doug Teeter who shared some of his projects and objectives for his term, followed by conversations with the community members present, to determine our needs and concerns. High level issues which were brought up surrounded landline, mobile, and internet service in our area as well as discussion on holding surrounding timber land management to their promises regarding maintenance of the fire break areas. Another topic included a need for direct lines of communication between a community representative and county road maintenance. We are looking to hold a Town Hall meeting with the help of Supervisor Teeter so that we can interface with the representatives of the organizations involved with these concerns. We will have more details in the October issue of The Post. In the meantime, please direct concerns, questions, or comments to [forestranchcommunity@gmail.com](mailto:forestranchcommunity@gmail.com). Caitlin Dalby introduce the new initiatives of the Forest Ranch Fire Safe Council, resources, and is interested in getting new neighborhood representatives for each neighborhood to focus on fire safety in their area.

Some upcoming events to keep in mind as you organize your calendar this Fall include our Cornhole Tournament on November 5<sup>th</sup> which will function as a fundraiser to support our first Forest Ranch Thanksgiving Dinner in collaboration with Forest Ranch Lions Club on Thanksgiving Day. I would like to shout out to the Forest Ranch Women's Club for their generous donation of \$250 to the Thanksgiving Dinner. We will also be holding a competition for a Forest Ranch Community Association Logo. We need both submissions and judges for this event. Stay tuned for more details on all these events!

I just want to personally say thank you to all of you for being such an amazing and embracing community! Go Forest Ranch!

### In Remembrance of George Geiger

George Russell Geiger, a long time Forest Ranch resident, peacefully passed away at home with his family close by on Friday, August 19. He was born on October 15, 1942 in Lodi, California. When he was 8 years old his family moved to Chico where he attended Chico Jr, Chico High and graduated college from Chico State. After graduation, he moved to Petaluma, CA where he taught school in Santa Rosa. Later, George opened an Appliance Store in downtown Petaluma. On February 24th, 1979, while on a blind date at a church dance George met Linda Paul, the love of his life. Two weeks later George and Linda were married. On January 20, 1990 they moved to their new property in Forest Ranch.

George was a Charter Member of the Forest Ranch Lions Club and was instrumental in getting the club organized and served as the Club Treasurer for over a decade. George was always helping others. He was involved in all of our Lions Projects for as long as he was able. He was even a member of the Forest Ranch Volunteer Fire Co. #24 for a while. He helped the Chico Boys and Girls Club with donating basketball equipment and computers. He helped the Rotary Club with donations to help build Caper Acres in Bidwell Park.

George worked for the Chico Nut Company for over 8 years and later retired from the Mormon Church Farms in Chico as their Accountant. George was an avid San Francisco Giants Fan. He loved to talk about the Giants, the players and their stats. George was a gentle giant who cared deeply for his family and friends. He will be dearly missed by all who knew him.
